Problem Solving Issues

Late Arrival

If any nominated player is not ready to play within 15 minutes of a rubber due on court then the opposing team shall be awarded a walkover for this rubber (by the best possible score for the event). No substitutions or alteration to the nominations or playing order may be made. The player concerned shall be permitted to play a doubles rubber provided he/she is ready to play when the doubles rubber is due on court. If he/she is not ready when the doubles rubber is due on court the team will be deemed 'incomplete'

In the event that the entire away team is going to be late for extenuating circumstances (e.g. motorway closure etc) and has contacted the home team in good time, a reasonable degree of flexibility on start time should be shown by the home team and the opposing team shall be awarded a walkover for this rubber (by the best possible score for the event).

Player Retirement

If a player retires during a rubber, the opponent shall be deemed to have won all the remaining games and sets necessary to win the rubber. The player retiring from the rubber shall be eligible to compete in any remaining rubbers

Completion of Matches

If play is suspended after a match has started then the match shall resume at the point of suspension

If a match cannot be started due to rain or rain stops play before any rubbers have been completed then the match may be rearranged

Where one or more rubbers have been completed, then the winner of the match shall be the team winning the most number of completed rubbers. 2 points shall be awarded for each completed rubber with any remaining points shared. For the purposes of final league placing calculations, the incomplete and unplayed rubbers shall be deemed shared by a score. Should each team have won an equal number of rubbers then each team shall receive equal rubber and match points

Team Withdrawal

Teams receiving an entire team walkover will win all rubbers (by the best possible score for the event), and will receive maximum rubber points and a match win.

Playing out of order / Ineligible Player(s)

If players play out of order then the singles rubbers involving those players shall be forfeited by a rubber score of the best possible score for the event

If an ineligible player competes then the singles rubber involving the player concerned, and all singles rubbers lower in the team order shall be forfeited by a rubber score of the best possible score for the event

If both teams field a player out of order or an ineligible player then each team shall be deemed to have lost the singles rubber in a similar manner. Likewise if a team fields an ineligible player as a doubles only player they shall forfeit that rubber.

Regulations

All matches in the Competition shall be conducted in accordance with the ITF Rules of Tennis, the Rules and Regulations of the LTA, the LTA Tournament Regulations, the LTA Code of Conduct and these Rules (in the event of any inconsistency, these Rules shall prevail). Each player participating in the competition grants and assigns to the LTA the right to make, use and show from time to time and at its discretion, motion pictures, still pictures and live taped or filmed television and other reproduction of him/her during the event and in connection with the promotion of the event without compensation for him/herself. Such promotional activities by the LTA shall not be identified as or represented to be an endorsement by the player of any product/company.

Any complaint/dispute shall be made in writing on email to the League Organiser by the team captain within 48 hours of the cause of the complaint/dispute arising. Nevertheless, the League Organiser shall have the power to consider any matter coming to their attention subsequently.

All players are subject to the Rules of the LTA (including, without limitation, the LTA's Anti-Doping Programme, the Disciplinary and Dispute Resolution Procedures and the Regulations Concerning Match Fixing, Financial Speculation and Betting) and fully and unconditionally submit to the jurisdiction and authority of the LTA by competing in the Competition.
